

PROMISE IN ACTION AWARD FOR AN EXCEPTIONAL MENTOR *PEER & COMMUNITY NOMINATION FORM*

The Caring Adults Team of Brockton's Promise invites you to nominate an adult who has made a difference by being an Exceptional Mentor. Mentoring includes formal relationships through a program (i.e. Big Sister Big Brother) as well as the informal relationships that happen every day (i.e. a caring neighbor, a teacher, a person at church, a friend's parent, etc.).

If there is someone out there that you would like to recognize by nominating them for this award, please share your story with us through a one page nomination letter. Please let us know who this person is, what it is in particular that they are doing, and why you feel they deserve to be recognized by the community. We are looking forward to hearing about the caring adult that you know, as well as how that mentorship is impacting a child's life. One selected mentor will receive an award during our 4th Annual Mentor Recruitment Rally on January 26, 2012 at 5:30pm at the Shaw's Center in Brockton.
