Who We Are

Child Development and Education, Inc. is a statewide family child care and education system, dedicated to providing the very best early care and education services for the children of teen parents. We are experienced in providing services to teen parents for over sixteen years. Our network of 1000 family child care educators are licensed by the state, follow strict regulations, and are overseen and supported by our team of experienced child care and education coordinators. We visit each educator multiple times a month to provide training, curriculum and technical assistance.

How We Can Help - Finally You Have Choices:

- We can place the children of teen parents in quality early education and care settings
- We have openings now and are accepting referrals

- We offer child care, 24 hours 7 days a week
- We offer multiple services to teen parents including support groups, parent and life skill trainings, and mentoring
- We provide transportation
- We offer, free of charge, services by our licensed social worker clinicians to any educator or family who requests them
- Contact us first, and we will help you do all the paper work, we will drive you to a wide variety of educators to meet your unique requirements
- Our staff are multilingual, English, Spanish and Portuguese. Our family child care providers are multilingual and multicultural

Family Child Care Providers who are affiliated with CDE's network are not CDE employees. They are independent contractors who operate independent businesses, not subject to CDE regulation or supervision. They are licensed by the state and are required to meet strict licensing guidelines.

Join Us

Join our Child Development and Education family, and see first hand the benefits of quality child care and education for your children.

Child Development and Education child care providers use an educationally based monthly curriculum to teach your children.

We train our providers and educators on developmentally appropriate practice and academic programming.

Our Institute for Education and Professional Development supports your child care provider with the latest research and courses on child growth and development. Quality training yields quality providers.
