On April 2<sup>nd</sup>, 2011, hundreds of young people will gather at Massasoit Community College where they will enjoy a day of leadership, empowerment, and entertainment

The Annual Mayor's Youth Summit is held every year. Over 400 youth from Brockton come together to discuss issues in the City that affect them; from health, safety, well-being, violence and peer bullying. The summit provides a forum for youth to bring those concerns directly to Mayor Linda M. Balzotti, and to open up a conversation about sustainable solutions to address them.
